

ELMBROOK UNITED RECREATIONAL SOCCER CAMPS

This summer, EBU is offering a variety of camp options for our recreational soccer players - ages 5-15. These camps are a great opportunity for players to learn the proper techniques of soccer, meet new friends, and stay active, in a safe and fun environment at Voigt Soccer Park - one of the premier soccer parks in the state of Wisconsin

The camp will be run by Art Kramer, EBU Recreational Coaching Director and former professional soccer player and coach. Art has been directing and working soccer camps for more than 30 years. His number one priority directing a soccer camp is player safety.

Voigt Soccer Park is equipped with on-site bathrooms, located in the outdoor concession area, as well as a state-of-the-art indoor complex that provides a dry, safe training environment in the event of inclement weather. Staff will have water coolers on hand at all times and knows the important of hydration during the summer months.
