Common Questions

1. What teams will participate in the National League Midwest Conference Club v. Club platform?

Our U15-U19 Elite teams on both the girls & boys sides will participate in this league. There are 8 clubs for each gender from Wisconsin, Illinois, Indiana, Missouri, & Michigan.

2. Is there an additional cost for players playing in this league?

Costs for participation in the National League Midwest Conference Club v. Club format will continue to be paid by the club as part of your included league fees for the year in your registration cost. There will be no additional costs to teams participating in this league.

3. What is the travel that will be required?

Schedules for the league will be organized by club leaders. Travel is regionalized & will be similar to a normal Midwest Conference season. Commonly, two league games will be played in one weekend in locations close in proximity to one another. We will host 2-3 league games per team as well. The benefit of the Club v. Club format is that all of our participating teams will be playing at the same site on the same day!

4. How does this affect participation in tournaments & showcases?

For the MWC Club v. Club platform, there is 1 required Regional Showcase per gender where league games are played at the showcase. There is also 1 required National Showcase that will

be attended by our teams. Each individual team & coach can decide to enter additional events as they see fit.

5. Does this mean that our Elite teams will no longer compete against local clubs in Wisconsin?

Our teams will continue to compete in WYSA State Championships. Participation in local indoor and futsal leagues will continue throughout the winter. The fall (girls) & spring (boys) club seasons will primarily be filled with competition within the region. We anticipate there to be plenty of playing opportunities against fellow Wisconsin clubs throughout the season.

6. Are there any restrictions on players playing with their high school seasons or in other leagues?

Absolutely not. We fully support and encourage our players to represent their high school soccer teams. The Midwest Conference Club v. Club platform will be scheduled around their seasons so there will never be a conflict or asking players to do both club & high school at one time.

7. Since these platforms are for Elite teams only, how does this affect Premier & Classic levels?

Our Premier and Classic level teams will continue to participate at the WYSA State League & SECL levels. For teams who have the desire and ability to play at the regional level, we will seek to offer the opportunity to enter the Midwest Conference Team vs. Team Division.
