*Rosters should not exceed 10 players for U8, 16 players for U9/U10, 18 players for U11/U12, and 20 players for U13/U14/U15. The roster limit is the maximum number of players that can participate in a game. All players must have a signed medical release on file.

Forfeits

*A minimum of 3 players constitutes a fieldable team for U8, 5 players for U9/U10, 7 players for U11/U12, and 8 players for U13/U14. In the event a team cannot field a full team, the opposing team is not obligated to reduce the number of players on the field. A three-minute grace period from the scheduled starting time will be allowed before a game must be forfeited. The first half will be shortened by whatever time is lost for the grace period.

*There will be no refunds for a game that is forfeited.

*A team winning a forfeited game will be awarded 8 points, as if winning 1-0.

Equipment

*No players with a hard cast or other such medical devices will be allowed on the field of play.

*All teams must be prepared to wear an alternate color jersey (white t-shirts are acceptable) in case of a color conflict with an opposing team.

*Each team must provide at least one ball suitable for game play. Referees will select the ball to be used on the field of play.

Duration of Games

*All games will consist of two 25-minute halves, with a 5-minute break between halves. There will be no overtime periods.

*The Tournament Director reserves the right to shorten the length of games due to weather or field conditions.

*No on-field, warm-up time is guaranteed. On-field pregame warm-up time will begin when the teams playing the preceding game have vacated the field.

*Both teams and their coaches shall be on the same side of the field. Parents will occupy the opposite side of the field. No parents or coaches are allowed behind the goals or along the end lines.

*The home team will be responsible for changing jerseys in the event of a uniform color conflict. The referee will determine whether a uniform color conflict exists.

Awarding of Points

*Winners will be determined by points awarded. Points will be awarded as follows:

Win:	6 points
Tie:	3 points
Loss:	0 points
Goals:	1 point for each goal scored up to a maximum 3 points per game
Shutout:	1 point

Note: In the case of a 0-0 tie in a game, each team will receive 4 points (3 points for the tie and 1 point for a shutout.)

*In the U11/U12 and U13/U14/15 divisions, if two or more teams are tied in points awarded following the completion of their 3 games, the following will be used to select the final placement of teams:

1. Head-to-head competition
2. Least number of total goals allowed
3. Most total goals scored
4. Shootout

Each team will select a goalkeeper and 5 players for the penalty kicks. The players will take alternating kicks from the 11-yard mark, beginning with the team selected based on the toss of a coin by the referee (the visiting team chooses the side of the coin prior to the coin toss). The goalkeeper can only move laterally along the goal line until the ball is kicked.

If the game remains tied after the 5 players' alternate kicks, the remaining players will alternate kicks from the 11-yard mark until one team scores and the other team misses. Each player can take only one penalty kick until the entire roster, including the goalkeeper, has each taken a penalty kick. Players, not participating in a penalty kick, and coaches must remain off the field during the entire period of alternating kicks. If all players on the field have taken a penalty kick and the score remains tied, the process begins again with players taking a second penalty kick in the same order, until one team scores and the other team misses.

Awards

Trophies will be awarded to first and second place finishers in each of the U11/U12 and U13/U14/15 divisions. Teams in the U11/U12 and U13/U14/U15 divisions (who do not finish first or second in their division) and all teams in the U8 and U9/U10 divisions will receive participation medals.
