 - c. We do our best to be proactive for inclement weather on the radar. If games need to be shortened for any reason, the time will be deducted from the current game. If one half has been played (half according to your age or to the game official if halves have been shortened) and your game time slot expires, the current score stands as

final. Games will be shortened, not postponed. If there is extreme heat, we will make a water break in each half mandatory and the game clock will continue to run.

In the event a game is interrupted by inclement weather, the game will resume as soon as it is safe. If the scheduled game time expires and there has not been an equivalent of one half played, the game is posted as a 0-0 tie. If a team does not show up, they forfeit and the game will be posted as a 4-0 win for the team who did show up.

If the field is unplayable, the game is canceled and result is posted as a 0-0 tie. An unplayable field must be determined by the Tournament Director in cooperation with the referee.
