

ELMBROOK UNITED
SELECT PROGRAM 2023-2024

Elmbrook United is transitioning to a new registration fee model for Select teams for the 2023-2024 season. This change is in response to families' feedback and our desire to provide transparency regarding anticipated costs throughout the season. The registration fee structures for the Recreational and Academy programs are not impacted by these changes.

Starting this season, Select program fees will include the cost of registration for one USYS or WYSA league, one winter indoor league, and the WYSA State Championship or President's Cup (if qualified). Previously, Select program teams paid all of these costs, other than USYS or WYSA league fees, from their team account. Personal travel expenses and uniforms will continue to be the responsibility of each player and are not included in Select program fees or team accounts.

With the exception of U13-U18/19 E64 teams, all Select program teams will continue to collect a \$200 deposit per player, which will be paid into the team account at the beginning of the season. For these non-E64 Select program teams, the team account will be used to pay for tournament registration fees, coaches' travel, and other incidental team-related expenses. This approach allows maximum flexibility for these teams, who may wish to participate in different numbers of leagues and tournaments, both locally and across the region. If the team account is depleted, each family will be asked to contribute a pro rata share of remaining expenses. In the event of a team account surplus at season-end, each family will be refunded a pro rata share of the remaining funds.

For U13-U18/19 E64 teams, Select program fees will now include E64 league fees, national playoff event fees, regional tournament or college showcase registration fees, WYSA State Championship registration fees, and one winter indoor league. Select program fees for E64 teams will now also include coaches' travel expenses for all these events, except for USYS Regional Championships (if qualified by winning WYSA State Championships) and USYS National Championships (if qualified by winning USYS Regional Championships or a National League P.R.O. event). E64 teams will no longer need to deposit into a team account at the start of the season. Personal travel expenses and uniforms will continue to be the responsibility of each player and are not included in Select program fees for E64 teams.

Select program uniforms are purchased on a two-year cycle, and the Fall 2023 season will mark the start of a new two-year uniform cycle.

We hope this new registration fee model, and the information in this package, will provide a clearer understanding of the costs associated with your child's soccer journey at Elmbrook United. We will continue to offer payment plans for your convenience.

Respectfully,

Elmbrook United Board of Directors
