

GIRLS ACADEMY REFEREE FEES

All referee costs are the responsibility of the home club. If a neutral site is used, the designated home club shall pay unless it is preapproved by the league that costs will be shared. Payment of appointed referees is up to the discretion of the home club. It is suggested that the home team pays the referees prior to the game upon arrival through the arbiter system or direct deposit centrally through US Officials or other avenues. No payment of any type post-game. At National Events, referee fees are included in event fees.

Age = Center/AR1/AR2 + 4th Official

U13-U15= \$85/\$55/\$55 + \$45 for a 4th**

U16-U19= \$95/\$65/\$65 + \$45 for a 4th**

**Note: 4th Officials are not required for Girls Academy matches.

“Club Linesperson”:

ALL GA matches are expected to have 3 referees. If an emergency occurs and a 3rd official is rendered unavailable or cannot continue a match, the GA home club must immediately notify the visiting club and GA Director of League Competitions via email (admin@girlsacademyleague.com) of the circumstances, and a ‘club linesperson’ may be utilized for the match. When using a ‘club linesperson’ they are ONLY responsible for notifying the Center Referee when the ball goes out of bounds. They are not to call fouls or indicate the direction of a throw-in. They are to stay in line with the last defender but do not signal for offside. An approved certified and uniformed referee that subs in will be compensated by the home club; a ‘club linesperson’ does not receive compensation.”
