

ELMBROOK UNITED

Select Program 2026-2027

Select program registration fees for Girls Academy, Girls Academy ASPIRE, Girls Academy Inspire, MLS NEXT Academy, and USYS National 1 League (Premier 1 and Premier 2) teams include the costs of applicable platform league and player registration fees, regional and/or national event registration fees, registration fees for additional tournaments and/or showcases selected by these teams' coaches, one winter indoor league and/or tournament as decided on and selected by the coach, and coaches' travel expenses for all the above leagues, events, and/or tournaments.

Girls Academy, Girls Academy ASPIRE, Girls Academy Inspire, MLS NEXT Academy, and USYS National League 1 will not deposit into team accounts, as the expenses typically paid from team accounts have been budgeted and included in the registration fees for players on these teams.

Personal travel expenses and uniforms will continue to be the responsibility of each player and are not included in select program registration fees. Select program uniforms are purchased on a two-year cycle and the fall 2026 season will mark the 2nd year of a new two-year uniform cycle.

Select program registration fees for Elite, Premier, and Classic teams will include the costs of registration for league play, one tournament for each outdoor season during which they play, one winter indoor league (if decided on by coach), and/or tournament, and USYS Wisconsin State Championship or President's Cup (if decided on by coach and they qualify).

Select program Elite, Premier, and Classic teams will collect a \$200 deposit per player, which will be paid into a team account at the beginning of the season. The team account will be used to pay for additional tournament registration fees (beyond the included events referenced above), coaches' travel, and other incidental team-related expenses. This approach provides maximum flexibility for teams that participate in different numbers of leagues and/or tournaments, both locally and regionally. If the team account is depleted, each family will be asked to contribute a pro rata share of remaining expenses. In the event of a team account surplus at season-end, each family will be refunded a pro rata share of the remaining funds.

Personal travel expenses and uniforms will continue to be the responsibility of each player and are not included in select program registration fees. Select program uniforms are purchased on a two year cycle and the fall 2026 season will mark the second year of a two-year uniform cycle.
